3rd IAPSM
Young Leaders' National Conclave

Department of Community Medicine & Family Medicine
All India Institute of Medical Sciences
Bhubaneswar, Odisha

10th - 12th November, 2022
AllIMS Bhubaneswar, Odisha
Greetings from the Department of Community Medicine and Family Medicine, AIIMS Bhubaneswar and Indian Association of Preventive and Social Medicine (IAPSM). We welcome you to the 3rd IAPSM Young Leaders' National Conclave 2022 from 10th-12th November 2022. With the objective of inspiring the young community physicians, the theme for the conclave is 'Community Physicians for Sustainable Health'. The conclave envisages to explore, elucidate, and strengthen the roles of community physicians for long-term improvement and maintenance of health of the populations. It will give them the impetus to strive for professional excellence and achieve sustainable health for all.

**CONFERENCE ATTRACTIONS**

- Young Leader Orations
- Connecting The Dots- A Mentoring Initiative
- Competitions E.g. Innovation In Medical Education, Public Health, Nukkad Natak For Social Change, Etc
- Meet The Public Health Leaders
- Hands-on Pre-conference Workshops On Unique Topics
- Scholarship For Selected Delegates

**Who can attend**

A. All can attend and present papers, however the competitions are restricted to below 40 years of age.
B. Working in academic institution/Medical Colleges, Research Organisation, Non-government Organisation and developmental agencies, etc.
C. Studying Community Medicine, Family Medicine, Public Health and Epidemiology.

**About IAPSM**

The Indian Association of Preventive and Social Medicine, founded in 1974, is a “not for profit” professional organization of specialists in Epidemiology, Health Management, Health Promotion, and Family Medicine, which is dedicated to the promotion of public health by bringing its members’ expertise to the development of public health policies, an advocate for education, research and programs of Community Medicine and providing a forum for the regular exchange of views & information. **About AIIMS Bhubaneswar**

All India Institute of Medical Sciences, Bhubaneswar is an institute of national importance established by an Act of Parliament in 2012. It was envisaged with the aim to provide excellence in medical education, research, and services to the last man in the queue. The Department of Community Medicine and Family Medicine stands out as the first department to start the family clinic, conduct the first workshop of the institute, and one of the first departments to start the postgraduate programme. The Department has adopted one urban and two rural peripheral health centres besides the immunization & yellow fever, NCD & preventive oncology, ICTC clinics in the hospital. ### TOURIST ATTRACTION

**Konark Temple** is situated on the northeastern corner of Puri. Temple is a UNESCO World Heritage site and one of the prime tourist attractions of Odisha. The temple is attributed to king Narasimhadeva I of the Eastern Ganga dynasty about 1250 CE. Temple is located in the sacred town of Puri, the Jagannath Temple or the pride of India was built in the 11th century by King Indradyumna. This glorious temple is the abode of Lord Jagannath who is a form of Lord Vishnu.

**Shanti stupa** is a Buddhist Peace Pagoda and the main attraction for people who believe in Lord Buddha or appreciate detailed artworks. It is a big white building covered with dome on top and beautified with intricate carvings on it.

**Chilika Lake** is a brackish water lake and a shallow lagoon with estuarine character spread across the districts of Puri, Khurda and Ganjam in the state of Odisha in eastern India.
